VILLISTAS ON WAY TO CITY

Report Reaches Carranza Consul on Border, Bandit Captured Town-General Bell Says Many Refugees Have Arrived at El Paso, Tex.

San Antonio, Tex., Oct. 27 .- Gen, Jacinto Trevino, commandant of the Chihunkun garrison, has bested warning to residents to leave the city, according to a report that reached army hendquarters from Gen, George Bell at El Paso, General Bell said Mrs. Trevine was among the many refugees who have arrived af El l'aso from Chibashua.

Washington, Oct. 27,-Following receipt of a San Antonio bulleting saying that apparently authentic reports there were to the effect that Chihuahua City was taken by Villa, General Gentales at Junrez unnounced the receitp of a message from Gen. Jacinto Trevino at Chibuahua City stating that all was quiet there. General Bell's report on the situa-

tion at Chihuahua follows: "Following telegram was received from Chihushun inst evening: " 'Arrival about 2,000 men from the south have made local conditions more secure for the present. Additional forecs are expected from the

"This morning persons who arrived from Chihunhua state General Trevino had a train made up to take to Juarez the families of all government officials, including his own family, train left Chihughua at 9 a. m. and was escorted by two military trains,

tack the train while en route. "Before departure of the regular smenger train, General Trevino cononce as while he had plenty of men, deed. he was short of ammunition and Chihuahua panic-stricken. Passengers say that General Haycotte had arrived with four trains of troops and that It was reported that there were 14 more trains on the way to Chihuahan which are due to arrive."

EMBARGO ON WHEAT URGED

Session of Executives of Bakers' National Asso. Held at Columbus.

Columbus, O .- Should the demand for such a committee grow S. F. Mc-Donald, president of the National Association of Master Bakers, issued a statement through a local officer of the organization stating that he would appoint a committee of representative bakers to go to Washington and ask President Wilson to place an embarge on the exportation of wheat and flour in an effort to solve the high cost of these articles and the resulting high cost of bread. The bakers contend that the high cost of flour is caused by the great export shipment of wheat to Europe. A statement has just been issued showing that the high prices had forced a large number of Toledo, O - The American Board of bakers over the country into failure.
